Monday 23rd January 2017

Dear Parents/Carers,

On Friday 3rd February we will be celebrating the NSPCC' fundraising event by taking part in Numbers day.

On this day we will be raising money for NSPCC as well as celebrating our love of maths. All children are welcome to come to school in mufti or fancy dress for a voluntary donation of £1.00.

As we are celebrating our love of maths we would like children to be creative and find a way of incorporating numbers into their costume or dress. You may choose to wear a sports shirt or cap, even a onesie or you may wish to be really creative and make a costume as a dice or a triangle! There will be a prize for the most imaginative maths related costume!

During the day there will also be some exciting number related activities for the children to take part in, they could even win a prize.

Mrs Thomas
 Class Teacher
